

Call for Participation

We invite you to join us **7th International Conference on Mechanical Engineering (MECHAN 2024)**

will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Mechanical Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of Mechanical Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to..

Highlights of MECHAN 2024 includes:

- Mechanical Engineering: An International Journal (MEIJ)
- Advanced Energy: An International Journal (AEIJ)
- Mechatronics and Applications: An International Journal (MECHATROJ)
- Advances in Materials Science and Engineering: An International Journal (MSEJ)
